Child Development Center

Face Lift —Dec. 26-Jan. 2

All of us in the Child Development Center are *excited* about the upcoming “face lift” involving; fix-up, repair, and paint to our center. It’s been almost 11 years since we opened and it’s time to spiff things up.

This will happen the week between Christmas and New Years...Dec 26-Jan2. The Child Development Center will be “shut down” during those dates.

Since Christmas and New Years day are on Sunday this year, the CDC will be closed on Monday, Dec. 26 and Monday, Jan. 2 in observance of the holidays.

We will provide Child Care for those who need it on Dec. 27, 28, 29 and 30th. The Yellow Bumblebees and the Purple Penguins will be in the Penguin room that week. Sign in will be in the Penguin Room.

The Green Grasshoppers and the Red Rockets will be in the small gym. Sign in will be inside the double doors to the small gym by the main Service Desk.

For those of you who will not need care those 4 days, please fill out a “Vacation Request form” to avoid being charged for that week. They are available at the CDC service desk. **

Also, **Holiday camps**, for our school age friends, will run pretty much as usual. Registration is on-line or at the main Service Desk. Check in will be inside the double doors to the small gym. The camps will be held, for the most part, in the Super Gym. Be sure to bring a towel and swim suit each day for swim time.

If you have questions or need clarification, please ask. We’ll be celebrating the “new look” when we’re back in the Child Development Center January 3.
