

You Asked

You, the members, are the reason we are here at the YMCA and we appreciate any and all comments and questions. However, if we get a specific comment or question and there is no member name or contact information we don't know how to answer that question or who to direct it to. So, we have created the "You Asked" spot. We will answer your questions to the best of our ability and please contact us if you have any further questions or need more clarification. Thanks for being a member at the YMCA!
